

Important Dates

April 14: Good Friday (Closed)

April 17: Easter Monday (No School)

As a reminder, we are not licensed to take children into our care prior to 7:00am. If you are dropping your child off at the program prior to 7:00am you will need to wait outside the program with them until it is 7:00am.

This is a licensing regulation and we are not permitted to take children into the program until the designated time.

Lately we have also had a lot of children telling us at the end of day that they are starving and have no food left in their lunch boxes. We have a very limited supply of snacks available in the cupboard as emergency snacks but due to the number of children requesting these snacks we are unable to keep up our supply within our budget. We are asking that you send your children with more food and perhaps package it separately and label it as afternoon snack so that they know to save it for later.

This past month I'm sure you have all come in to pick up your child and at some point noticed a large dance party going on in the middle of the room. Just Dance has been one of our most popular activities this past month and has been a great indoor activity to help keep the children active during some of the colder spells when we have been unable to play outdoors and the gym has been busy. If you are interested in doing this activity at home, we have just been playing the Just Dance videos off of YouTube for the children to dance along to.

On our last PD Day we decided to try something new. We have broken the children up into four intramural teams and will be giving each team points for participation, sportsmanship, co-operation, teamwork, etc. The teams will be "competing" against each other from now until the end of the school year where the winning team will be awarded a prize.

Currently we are planning for the fall and looking at which families are and aren't returning. We are currently trying to figure out who will not be returning so that we can offer spots to families who are on our waiting list. In the Spring/Summer camp packages we sent out we included new Pre-Authorized Debit forms which we are using to track who will be returning in the fall. If you have not returned this form by April 14, we are going to start filling spots from our waitlist. If you have lost this form (or it was pre-filled incorrectly), please let us know so we can get you a new one.
