

April 2016 Newsletter

Important dates: **April 7 – No Bake Family Night**
 April 21 – Families, Finances & Just Figuring it Out
 April 22 – PD Day
 April 25 – PD Day

We would like to extend a big thank you for your co-operation in parking on the road and coming in to pick up your children at the end of the day. You are also encouraged to come in to collect your child and see what wonderful things they are up to during the afternoon. Your children love having you see their creations and it only takes a minute at the end of your day. Heads up watch for our new camera system where you will be “Buzzed In” and you go collect your child. We will let you know when it’s up and running.

We had so much fun on March Break. The kids have been occupied by fort building, clay creations, baking, sports and the list goes on. Hopefully they have told you over dinner and we’d love to hear some feedback. We have a poster board full of pictures and we have posted some on our FB page. Go have a peek! Here’s just a few pictures.

Now that March Break and Easter have come and gone Summer Camp is on our mind. Please get your registration in as now it is open to the public and space is limited. We are capped at 44 children. We are going to be in the water, on bikes, camping, and even on the Red Carpet! You can print the registration form off online or we have some at the center. Yeah Summer!!

Watch your email for important updates. There will be a survey coming asking for your feedback for summer camp, and what you would like to see more and less of. Also coming is updates and information on exciting events coming up this month. One of which is just for you parents and grandparents. We have been working hard at Juvenescence to bring value to all aspects of your lives, and we appreciate all of your support and feedback!

Hi, my name is Kaitlyn Graveline. I am a Level 3 Early Childhood Educator and have been working at Juvenescence since November. I am originally from Ontario so I am still very new to Calgary. I have been working in childcare for about 3 years and I really enjoy it. During my free time I like to go to the gym, hike, play volleyball, camp and spend time with friends and family.

**We were listening!
You asked for more feedback on your child's day, and I think we have found a way to do it. Sometimes you're in a hurry and sometimes we just don't have the time we'd like to take at the door with you. We've found a nifty program that we can add pictures and write notes about what's going on day to day, and then we can email it to you. There will be a consent form headed your way soon for the photo portion.**

This month we are featuring Danica Moores as the child of the month. Danica has shown the ability to lead by example, listen and is always willing to help. She comes in in the morning with a big smile on her face and is a pleasure to talk to.

Here's a little more about Danica in her words...

Hi my name is Danica I have been going to the center for a long time now. I have learn to work together with friends. I like that you can walk to school in the morning. People at the center are very nice we play all day and have fun. I like to do dancing with my friends. I like just to hang out in the mornings. When I grow up I would like to be a horse back rider. We just got back from Mexico we went swimming.
