We are two months into the new year and getting ready for Spring and summer camps. Registration packages have gone out to families and we already half full for both spring and summer camps. Just as a reminder, to get the early bird pricing you do not have to pay all summer fees by April 15th, but you must have payments arrangements set up prior to April 15th to qualify.

We had our Accreditation Site visit on February 23rd. Everything went very well and we will find out in 4—8 weeks if we officially passed.

We have had a lot of fun this month and done a lot of exciting projects. Some of the favourites over the past month have been playing with clay, crystal growing, building a solar lamp, & friendship bracelets.

You will notice a riddle at the bottom of the newsletter this month. We will be adding these to our newsletters periodically and anyone who emails us the correct answer to the riddle will have their name entered into a monthly draw. This Month we will be doing a draw for a \$10 Starbucks gift card. Have your answers is by Friday, March 8th to qualify!
