Information about our Program

- Our hours at Juvenescence are from 7:00am to 6:00pm, Monday to Friday.
- You can enter the school through the front doors and we are located in the art room which is the first room on the left down the left hallway.
- For our Kindergarten children, parents can drop them off at Monsignor J.S. Smith before 8:00am, or after 8:30am at the Douglas Glen location.
- You will need to provide a lunch as well as an afternoon snack for your child.
- Please include the four food groups in your child's lunches.
- We are a Nut Free program. Please remember to send your child with Nut Free lunches.
- Children will need a pair of indoor shoes for the Centre.
- If you are not on our Facebook page yet, please join us on the Juvenescence group. This is one of the best ways to stay updated on program information.
- For our monthly calendars we will be trying to involve the children in helping us make the calendars and deciding on fieldtrip destinations. Calendars will only include closure dates, PD days, & Field trip days. For more detail about what's happening at our Centre please read the Parent Board.
- Make sure to call or email the Centre if your child will be absent from school or the program, or if your child is being picked up by someone else.
- Please add anyone, other than yourself, to the pickup list who is allowed to pick up your child.
- If you have not already submitted post-dated or filled out the Pre-Authorized Debit forms for your fees for the year, please do so as soon as possible.
- If you would like to do Pre-Authorized debit but have not received, or lost, the forms, please let me know so I can send them to you.
