

March 2016

Hello Parents!

We hope this finds you well and enjoying your winter. We would first like to thank everyone for making sure their child is here by 7:30 in the morning! It has made bus transitions much easier especially if the weather, or our buses, aren't cooperating.

A quick reminder to all parent to bring in their Camp forms as soon as possible! Spaces are filling up quickly and we don't want you to miss out (especially on the early enrollment savings for summer!). Right now we are over half full for both summer and spring break camp.

Even though spring is getting closer the winter weather is still here. Please make sure your child has their snow pants, jackets, mittens and hats! We want to make sure they staying warm out there.

Thanks again for being awesome!

The Juvenescence Douglas Glen Staff

Emma F.— March 20th

We Need Your Help!

If you have any of the following items that you would like to get rid of please let us know!

- Coffee table/side tables
- Leather couch and/or chairs
- Costumes or toys
- Recycled materials that can be used for art

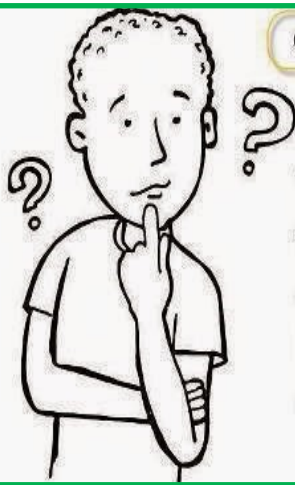

Thanks in advance!

A Note on our Leadership Program...

The leaders have been looking at our Jr. Leader Program and we have decided that it needs to change. From now on, there will be no more 'Jr. Leaders' but instead a leadership program that extends to all of our children. Our 9-12 year-olds will also have an area to themselves in the center called the Div2 zone. This will be a space for them to play games, hang out, and use their distal supervision time.

Alien Inline

During Teacher's Convention in February, all of our centres travelled to Chaparral for a lesson on Inline Skating! Alien Inline came out and the children got to practice their skating skills.

What occurs twice in a week, once in a year but never in a day?

FUN FACTS RELATED TO ST. PATRICK'S DAY

1. March 17th is when St. Patrick died
2. St. Patrick wasn't Irish.
3. St. Patrick's colour is blue.
4. There are more Irish in the US than in Ireland
5. Your odds of finding a four leaf clover is 1 in 10, 000.
6. Legend says that St. Patrick drove all the snakes out of Ireland.
