

# March 2016

Hello Parents,

It seems like it was just Christmas and now Spring Break is upon us. Just a reminder to bring in your camp forms if your child is coming to Juvenescence during their break. Public and Catholic schools have different breaks so we only have limited amount of space.

At the end of February we welcomed Lisa to the Juvenescence family! She comes to us from several years of experience in the child-care industry, and we are pleased to announce that she will be taking over as our new Director. Don't worry—Janine isn't going anywhere! She is moving up into the Executor Director position for the company. We are sad to see her leave Douglas Glen but very happy for her as she moves into her new role.

We also wanted to thank you again for your cooperation during accreditation. We are happy to announce that we passed! Yay!

If you have any questions or concerns please feel free to talk to Janine or Lisa.

Cheers!

Juvenescence Douglas Glen

# Monster Mini Golf!

### A MESSAGE FROM THE JR. LEADERS

Lazer Quest was a good place and We got to shoot other leaders if they were playing! And Chaperal came with us! And they also came with us at monster mini golf. Monster mini golf was also fun! We got to have lunch there and we got free drinks too! YAY! Some of us glowed in the dark, but it depends of what color we were wearing. But lots if us did! And we also glowed in Lazer Quest, but only while the game started. It was also fun, but hot in the maze. Lazer Quest is fun because you can shoot people with lazars but people can cheet by putting their hands on your gun and then they can shoot you. What is really fun after you play there is an arcade so when you are done you can play like basketball.

### FUN FACTS RELATED TO ST. PATRICK'S DAY
